

HS-03 Dual Ear Headworn Microphone

With a capsule diameter of just 3 mm, the HS-03 provides a super low-profile combined with high-performance audio. This omnidirectional condenser headworn mic offers a lightweight dual ear design with a flexible adjustable boom that can be worn left or right. The dual ear hooks provide a very secure, inconspicuous and comfortable fit that provides maximum freedom of movement with or without glasses. The ear hooks feature a unique “Pull..Rotate..Release” design that allows them to fold flat when not in use.

The HS-03 comes with two screw-on replaceable audio cables, acoustically transparent windscreens and a MIPRO wireless bodypack adaptor. Additional optional adapters are available for use with Shure, AudioTechnica, AKG, Sennheiser, Electro Voice, Lectrosonics, Sony and other belt packs. Optional Red Dot, (RD), adaptors have a built in 15dB pad for use with MIPRO, AudioTechnica, AKG, Electro Voice and Shure belt packs.

The HS-03 is available in black or beige and ships in a leatherette case. The HS-03 is a comfortable dual ear headworn mic that is a perfect solution for House of Worship, Theater, Lecturers, Broadcast, Corporate A/V, and other applications where premium intelligible sound and low visibility are required.
