

Superlux PRA-C5
Five Pack

The Superlux PRA-C5 features 5 PRA-C1 dynamic microphones with 5 stand adaptors packaged in their own hard shell carrying case for easy handling and storage. The PRA-C1 super cardioid dynamic microphone is specifically designed for vocal use on the professional stage.

The C1 features a wide dynamic range, Nd capsules and dual dome diaphragm for increased sensitivity and provides a typical proximity effect with a very smooth natural output. The super cardioid capsule is enclosed in a hardened steel foam filtered mesh grill and has an on/off switch.

The PRA-C1 has excellent handling noise characteristics and its all metal construction features a durable shock resistant zinc alloy die-cast housing. These mics are rugged performers and come backed with a 2 year warranty. They are available individually (PRA-C1) and as a 5-pack set (PRA-C5). The PRA-C series mics are an economical solution and represents a superb value for a variety of sound reinforcement applications.

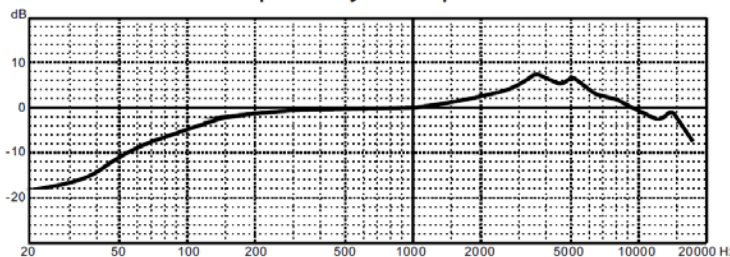

SPECIFICATIONS

| | |
|--------------------|-------------------------|
| Element | Dynamic Capsule |
| Polar Pattern | Super Cardioid |
| Frequency response | 50—16,000 Hz |
| Sensitivity | -54 dBV/pa (2.2 mV/Pa) |
| Impedance | 200 Ohms |
| Max SPL | 140dB (THD ≤ 1% 1KHz) |
| Connector | Integral 3 pin Male XLR |
| Dimensions | Φ53x180 mm |
| Weight | 12.80 oz. |
